Date: ০৬ May, 2025

No Objection Certificate

This is to inform you that Dr. Mohammed Mahmudur Rahman, Associate Professor, Department of Chemistry, Jagannath University would like to submit a project proposal for BEPRC Grant. The title of the project is “**Sustainable waste-to-energy solution: pyrolysis of municipal plastic wastes and tyres to produce fuel and conversion of cellulosic biomass to ethanol fuel**”.

Jagannth University gives his permission to this research work in addition to doing job in this organization.

I wish every success in his future endeavors.

Professor Dr. Md. Sheikh Giash Uddin
Rrgistrar (In charge)
