M. Sc. in CSE (Evening) Program

01. Preamble:
Department of Computer Science & Engineering of the Jagannath University is going
to offer M.Sc. in CSE (Evening) Program to prepare skilled, qualified IT professionals
and researchers. The curricula will be formulated by teaching methodologies based on
persuasive thinking to help students in maximizing their performance. This area is
extremely broad and has been advancing rapidly in the last two decades. This field is
the use of computer and information technology to ease human labor or extend the
mental or physical capabilities of human. It is ever-evolving. While in ancient times, it
was mechanization of some simple process; today it becomes an integrated process. All
advanced technologies in this field demand manipulation of a large amount of
information in real time, and only with today’s advanced computer technology can they
be practical. Due to rapid advances in field many practicing engineers cannot keep pace
with the latest development.

With the outstanding faculty members here in the department, we are confident in
accomplishing our mission and looking forward to an ever-bright future.

In order to fulfill the M.Sc. degree requirements, a student must achieve a total of 39
