Summary of Professional Expertise

I have professional experience in teaching in the field of Mass Communication and Journalism in BSS (Hons) and Masters Level at three different universities in Bangladesh. Besides teaching, have been conducting researches on communication, media and conflict, political communication, human rights, and gender and development issues. I am passionate about the role of media in crisis and conflict situation. In recent years I have developed a particular interest in peace communication and Media role in crisis situation, on which I am doing some research work.
